## Lesson Plan

1. Print enough lyrics gap-fill sheets (found on the next page) for each student.
2. Give each student their own lyrics gap-fill sheet.
3. Ask students to take 1-2 minutes to look at the song lyrics before listening.
4. Play the song and ask students to fill in the missing words. Play the song a second time to complete the worksheet.
5. Put students into groups of 2-3 to check answers.
6. Project the lyrics gap-fill sheet on the board, and ask students to come to the board to fill in the missing words, or write the numbers on the board and ask students to write the missing word next to the correct number.

## Online Tip

This activity can be easily replicated online. Share the worksheet with students online, and put students into breakout rooms to check their answers in small groups. Ask students to write their answer for each number in the chat box, or by saying the word aloud.
